### ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Fraunhofer Gesellschaft zur Förderung der angewandten Forschung e.V. (hereinafter referred to as Assignor(s)), a German corporation, having a principal place of business at Hansastrasse 27 C, 80686, Munchen, Germany, hereby assign(s) to Tracto-Technik GmbH & Co. KG, (hereinafter referred to as Assignee), a German corporation, having a principal place of business at Reiherstr. 2, 57368 Lennestadt, Germany, its successors, legal representatives and assigns, the entire right, title and interest in Assignor's(s') invention or improvement in METHOD AND DEVICE FOR DETERMINING THE SPACIAL GEOMETRY OF A CURVED EXTRUDED PROFILE and in the application for Letters Patent of the United States therefor, filed on August 16, 2004, and assigned Serial No. 10/482,208, and any and all other United States applications and applications which Assignor(s) may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of the said applications, and in any division, continuation, reexamination, renewal, reissue or extension thereof.

Assignor warrants that it is the owner of the entire right, title and interest in and to the invention and patent application herein assigned and has the right to make this assignment; and further warrants that there are no outstanding prior assignments, licenses,

or other rights whatsoever (including, without limitation, shop rights) in the interest herein assigned.

For said consideration, Assignor(s) hereby agrees upons the request and at the expense of said Assignee, its successors, legal representatives and assigns, to execute any and all divisional, continuation, reissue and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives and assigns may deem necessary or expedient.

For said consideration Assignor(s) further agrees upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application or any continuation or division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof becoming involved in an Interference or any other contested matter to cooperate to the best of Assignor's ability with said Assignee, its successors, legal representatives and assigns in the matters of preparing and executing the preliminary statement or other such document and giving and producing evidence in support thereof.

Assignor(s) further agrees to perform, upon such request, any and all affirmative acts to obtain said Letters Patent, and vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns whereby said Letters Patent
