Assignment

For good and valuable consideration received from the hereinafter named assignee, receipt of which is hereby acknowledged, I, the undersigned, H  la Coubetergues, 6, impasse Jean Cassou, 31240 SAINT JEAN, FRANCE hereby assign to Pierre Fabre Dermo-Cosmetique, a French corporation, having a place of business at 45, place Abel Gance, 92100 BOULOGNE FRANCE; its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof, in and to the inventions in

DRESSING

as set forth in the following application: 29/332,253 filed February 11, 2009 (Attorney Docket No. 6497/1059), and any and all other applications for Letters Patent on said inventions in the United States, including but not limited to all provisional, non-provisional, divisional, renewal, substitute, continuation, PCT and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patents and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; said assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise; the Commissioner of Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said assignee in accordance herewith; this assignment being under covenant not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the undersigned will do all acts reasonably serving to assure that the said inventions, patent applications and Letters Patent shall be held and enjoyed by said assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said assignee all lawful documents including

petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and in substance which may be requested by said assignee, to furnish said assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.

I hereby authorize my attorneys to insert the Application No. and filing date in the blanks on page 1 of this document.
