ASSIGNMENT

WHEREAS, Ronald L. Wilson, II, of Solana Beach, CA, Assignor, has invented a new and useful LOWER-BODY GARMENT HAVING A SECURE WAIST ASSEMBLY for which an application for United States Letter Patent was executed on or about the same day as this Assignment; and

WHEREAS, Assignor believes himself to be the original, and first inventor of the invention disclosed and claimed in the application for Letter Patent; and

WHEREAS, Jaco Clothing LLC, a Delaware limited liability company, having a place of business at 3182 Lionshead Avenue, Carlsbad, California 92010, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and other assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for issuing, sustaining, reissuing or enforcing Letter Patent in the United

States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

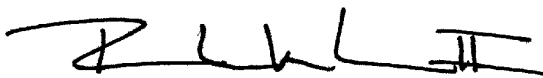

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks for the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest of the invention.

IN WITNESS WHEREOF, Assignor have executed this assignment.

Assignor
