ASSIGNMENT

We the undersigned, Casey Lugash and Paul Bark (hereinafter referred to as "ASSIGNORS") have invented new and useful improvements as described and set forth in the application for United States Letters Patent filed concurrently herewith and entitled:

LIFTGATE CONTROLLER

RS Drawings, LLC (hereinafter referred to as "ASSIGNEE"), a limited liability company of the state of California, having a place of business at 11921 Slauson Avenue, Santa Fe Springs, CA 90670, is desirous of acquiring the entire right, title and interest in the invention and application and in any Letters Patent which may be granted from the same;

Now, for good and valuable consideration, receipt of which is hereby acknowledged, ASSIGNORS hereby sells, assigns and transfers to ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently herewith, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said improvements;

ASSIGNORS agrees that ASSIGNEE may apply for and receive Letters Patent for said improvements in its own name, and that, when requested, without charge to but at the expense of said ASSIGNEE, its successors, assigns and legal representatives, to

carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent application on any and said improvements; execute all rightful oaths, assignments, powers of attorney and other papers, communicate to said ASSIGNEE, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said ASSIGNEE, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said ASSIGNEE, its successors, assigns and legal representatives; and

ASSIGNORS covenants with said ASSIGNEE, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
