Whereas, Alphaspine Inc., a corporation of the State of Florida having a place of business at 5922 Cattleman Lane, Suite 201 Sarasota, Florida 34232, ("Assignor"), is the owner of the entire right, title and interest to the patents and applications identified in Exhibit A and all other U.S. and foreign patents which may have or will be obtained in respect of the inventions set forth therein ("Inventions"); any applications for U.S. or foreign patents which may have been or will be filled in connection therewith; any corresponding applications for patents and patents therefor in all other areas of the world; and any improvements, modifications, reissues, extensions, substitutions, confirmations, divisions, continuations or continuation-in-parts of any of the foregoing, together with the right to bring suit and collect for past infringements thereof (collectively the "Patent Rights"); and

ALPINE SPINE LLC, A LIMITED LIABILITY COMPANY OF THE STATE OF FLORIDA
Whereas ~~Alphaspine LLC, a corporation of the State of Florida~~ having a place of business at 5922 Cattleman Lane, Suite 201 Sarasota, Florida 34232, ("Assignee"), desires to acquire the Patent Rights;

2/14/09

NOW, THEREFORE, in view of the payment of Ten Dollars and 00/100 (\$10.00) and other legally sufficient and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor, Assignor DOES HEREBY, without reservation:

1. Assign, transfer, and convey to Assignee the entire right, title, and interest in and to said Patent Rights, Inventions and discoveries, said Letters Patents of the United States of America and applications for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patents;
2. Authorizes and empowers Assignee to invoke and claim for any applications or patents included within the Patent Rights, the benefit of any rights to which Assignor might be entitled under international law or under the laws of any particular country, such as, without limitation, the right of priority provided under the International Convention for the Protection of Industrial Property, as amended, and to invoke and claim such rights without further written or oral authorization from Assignor;
3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patents and/or all applications for Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct;

This Assignment and all terms hereof shall be binding upon and enure to the benefit of the parties and their respective heirs, personal representatives, successors and assigns.

In testimony of which the undersigned, acting for the Assignor, executed this Assignment as an instrument under seal on the date indicated below.

Given and signed this day 10 of the month of July of the year 2006.
