ASSIGNMENT OF UTILITY PATENT APPLICATION

WHEREAS, Pedro Gonzales, the inventor, (the "Assignor"), is the owner of all right, title and interest in the invention disclosed and claimed in the utility patent application being filed concurrently herewith with the US Patent and Trademark Office for the invention titled Combined Laptop Case and Laptop Stand (the "Application"); and

WHEREAS, Laggistica, Inc., a Florida Corporation (the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Application, as hereinafter more fully set forth;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of One Dollar (\$1.00), and other valuable and legally sufficient considerations, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the Assignee, the entire right, title and interest for the United States in and to the Application and any and all patent letter(s) that may issue for the Application together with the entire right, title and interest in and to the Application therefore in all countries foreign to the United States, including the full right to claim for the Application all benefits and priority rights under any applicable convention; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for which any and all patent letter(s) may issue from the Application.

And the Assignor does hereby covenant and agree, for itself and its legal representatives, that it will reasonably assist the Assignee in the making and prosecution of any other applications for patents that the Assignee may elect to make covering any invention embodied, disclosed and/or claimed in the Application, as hereinbefore set forth; in vesting in the Assignee like exclusive title in and to all patent letter(s) which may issue there from; and in the prosecution or defense of any opposition or cancellation which may arise involving the Application or any subsequent application covering any invention(s) embodied, disclosed and/or claimed in the Application; and that it will execute and deliver to the Assignee any and all additional papers that may be requested by the Assignee to fully carry out the terms of this Assignment.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue patent letters to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has hereunto set his hand and affixed his seal this

27th day of February, 2009.
