DEED OF ASSIGNMENT

Whereas, WE, **MICHAEL ROGER CANE, RUTH ELIZABETH WALCOT, NICHOLAS FIELD, AHMAD BITTAR and CHRISTOPHER JOHN ORD**, have invented certain new and useful improvements in a DIP TUBE PAINT APPLICATOR DEVICE CAP, for which an application for United States Letters Patent has been executed; and

Whereas, **IMPERIAL CHEMICAL INDUSTRIES LIMITED (IMPERIAL CHEMICAL)**, a corporation organized and existing under and by virtue of the laws of Great Britain, with its principal office and place of business at 20 Manchester Square, London, Great Britain W1U 3AN, is desirous of acquiring the entire right, title and interest in and to said application and the invention therein disclosed, described and claimed; in any and all continuations and divisions of said application; in any and all Letters Patent of the United States of America which may issue from said application or continuations or divisions thereof, including any and all reissue or reissues, of such Letters Patent; and, in any and all foreign applications corresponding to said application or applications, and such foreign Letters Patent which may issue therefrom;

Now, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that for and in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration to us in hand paid by the said **IMPERIAL CHEMICAL**, the receipt whereof is hereby acknowledged, we the said, **MICHAEL ROGER CANE, RUTH ELIZABETH WALCOT, NICHOLAS FIELD, AHMAD BITTAR and CHRISTOPHER JOHN ORD**, have bargained, sold, assigned, transferred and set over, and by these presents do hereby bargain, sell, assign, transfer and set over unto the said **IMPERIAL CHEMICAL**, its successors and assigns the entire right, title and interest in and to said application for Letters Patent, and the invention therein disclosed, described and claimed; in any and all continuations and divisions of said application; in any and all Letters Patent of the United States of America which may issue from said application or continuations or divisions thereof, including any and all reissue or reissues of such Letters Patent; and, in any and all foreign Applications corresponding to said application or applications, and such foreign Letters Patent which may issue therefrom; the said **IMPERIAL CHEMICAL**, assigns or other legal representatives, to the full end of the term or terms for which said Letters Patent may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And we hereby authorize the Commissioner of Patents to issue any and all Letters Patent of the United States of America for said invention, or resulting from said application or applications therefor, to the said **IMPERIAL CHEMICAL**, as the assignee of the entire right, title and interest in and to the said application and invention.

DES10817US3

And we further covenant and agree that we will at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention, or any Letters Patent that may be granted therefor, in **IMPERIAL CHEMICAL**, its successors, assigns or other legal representatives, and that if the said **IMPERIAL CHEMICAL**, its successors, assigns or other legal representatives desire to secure a reissue or extension or division of said Letters Patent, we will, upon request, sign all papers, make all rightful oaths, and do all legal acts necessary and requisite for the application for such reissue, extension or division, and the procuring thereof.

And we further covenant and agree that we will at any time, upon request, communicate to **IMPERIAL CHEMICAL**, its successors, assigns or other legal representatives, any facts relating to the said invention and Letters Patent, or the history thereof known to us, and will testify as to the same in any interference or litigation when requested to do so.

Witness Whereof we have hereunto set our hand and seal.
