ASSIGNMENT

WHEREAS, we, **PETER L. MISCHLER**, and **MICHAEL GEORGE BAYES** have made certain improvements in an invention for a **PALLET HANDLING SYSTEM FOR A MACHINE TOOL**, set forth in the application for United States Letters Patent serial number 12/099,497 filed on April 8, 2008; and

WHEREAS, **Cincinnati Machine, LLC**, a company located and doing business at 2200 Litton Lane, Hebron, KY 41048 is desirous of acquiring the entire right, title and interest in and to said invention;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Peter L. Mischler, and Michael George Bayes by these presents, do hereby sell, assign and transfer unto the said company and its assigns, for the territory of the United States of America and all foreign countries, my entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to said invention as described in the above identified patent applications, and in and to said applications and any Letters Patent that may be granted in pursuance of said applications and any divisional, continuation or continuation-in-part application thereof, and in and to any reissue and reexamination of any such patents in and to any patent applications which may be filed on said invention in countries foreign to the United States and any Letters Patent granted thereon.

We further authorize said company to apply for foreign patents on said invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and I further agree to execute all papers, including those required for the United States and foreign applications, and to perform such other proper acts as said company may deem necessary to secure to said company or its designees the rights herein assigned.
