## ASSIGNMENT

Steve E. Harms, an individual residing in the City of Redwood City, State of California ("Inventor"), has invented a new and improved design for a TABLE TENNIS RACKET and has applied for patent protection on that design in United States design patent application Serial No. 29/322,288, filed July 31, 2008; and

Marc Christopher Harms and Glendon Theodore Jones, individuals residing in the City of New Braunfels, State of Texas ("Assignees"), desire to acquire interests in and to the aforesaid patent application and any patent granted thereon.

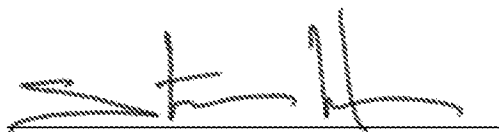

NOW, THEREFORE, for good and valuable consideration acknowledged by Inventor to have been received in full from said Assignees:

1. Inventor hereby sells, assigns, transfers and conveys unto each of said Assignees an undivided one-third (1/3) of the entire right, title and interest in and to the aforesaid patent application and any patent granted thereon.

2. The terms and conditions of this assignment shall inure to the benefit of said Assignees, their heirs, assigns and other legal representatives, and shall be binding upon Inventor, his heirs, legal representatives and assigns.

IN WITNESS WHEREOF, Inventor has executed and delivered this instrument to said Assignees on the date written below.

Dated: March 24, 2009

Steve E. Harms
