PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Assignment") is made and entered into as of March 13th, 2009 ("Effective Date"), by IGT, a Nevada corporation ("Assignor") to Shuffle Master, Inc., a Minnesota corporation ("Assignee").

WHEREAS, Assignor and Assignee both filed conflicting assignments as to most of the United States patents and patent applications set forth on Schedule A attached hereto;

WHEREAS, Assignor and Assignee both understand the difficulties in predicting the outcome should this conflicting assignment dispute be litigated;

WHEREAS, Assignor and Assignee have agreed to settle certain claims and disputes including those claims and disputes which have arisen between them in regards to the United States patents and patent applications set forth on Schedule A attached hereto; and

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of Assignor's right, title and interest to the United States patents and patent applications set forth on Schedule A attached hereto and the foreign patents and patent applications set forth on Schedule B attached hereto, including any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions or foreign equivalents of any of the foregoing (collectively, the "Patents").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to the Patents and all rights of action on account of past, present, and future unauthorized use or infringement of said Patents.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Patents.

This Assignment does not change any previously agreed upon rights and/or limitations in regards to the Patents as agreed to in the Binding Term Sheet dated February 17, 2009.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized representatives as of the Effective Date:

IGT, a Nevada corporation
