## Assignment of Patent Rights

Coras Medical, having an address at Am Mühlebach 4, 4104 Oberwil, Switzerland, hereby sells, assigns and transfers to Coras Medical AG, having an address at Am Mühlebach 4, 4104 Oberwil, Switzerland its entire right, title, and interest in and to the invention relating to "AN AXIAL FLOW PUMP WITH A SPIRAL-SHAPED VANE", as described and claimed in the PCT Patent Application PCT/EP2006/06344, filed 30 June 2006, which entered the national phases in the countries:

USA No.: 11/994,480  
Europe No.: 06754635.8  
Australia No.: 2006 265388  
Canada No.: 2613707  
Japan No.: 2008-518731

including the right to claim priority from the EP Patent Application No. 050405423.4 filed 1 July 2005, and any and all applications for patent and patents in any and all countries, including all divisions, continuations, reissues, and extensions thereof, and authorizes and requests any official whose duty it is to issue patents to issue any patent on said invention or resulting therefrom to Coras Medical AG, or its successors, assignees, or nominees, and agrees that on request and without further consideration, but at the expense of Coras Medical AG will testify in any legal proceedings, sign all lawful papers and make all rightful oaths. Coras Medical hereby warrants that it has full rights in said patent applications and has the right to assign said patent applications.

Coras Medical further transfers and assigns to Coras Medical AG all causes of action, rights, and remedies arising under any such patents or patent applications prior to or after the effective date of this Agreement. Effective date shall be March 25, 2009.
