(hereinafter designated as "Assignee")

all right, title and interest in the invention known as

**A SYSTEM AND METHOD FOR VERIFYING A USER'S IDENTITY
IN ELECTONIC TRANSACTIONS**

described in a Patent application proposed for filing under the Patent Co-operation Treaty, concurrently herewith.

1. The undersigned agrees to execute all papers necessary in connection with all Patent applications and any previously filed applications on the basis of which a request for priority is made, any continuing or divisional applications thereof or corresponding applications in other jurisdictions and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.
2. The undersigned agrees to execute all papers necessary in connection with any interference, conflict or opposition which may be declared concerning the application or continuation or division or divisions thereof and to co-operate with the Assignee in every way possible in obtaining evidence and going forward with such interference, conflict or opposition.
3. The undersigned agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid Patent for the invention Patent to the Assignee.

4. The undersigned hereby authorizes and requests the issue of any and all Patents resulting from any application or continuation or division or divisions thereof to the said Assignee, as Assignee of the entire interest and hereby covenants that he has full right to convey the entire interest herein assigned and that he has not executed and will not execute, any agreement in conflict herewith.
