of Symantec Corporation

of Symantec Corporation

hereby sell, assign and transfer to Symantec Corporation, a Delaware corporation, having a place of business at 20300 Stevens Creek Boulevard, Cupertino, CA 95014, its successors and assigns, the entire right, title and interest throughout the world in our invention in:

ADAPTIVE COMPRESSION USING A SAMPLING BASED HEURISTIC

for which we have executed a United States patent application, which was filed on March 27, 2009, and which now has Application No. 12/413,137, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

We further authorize and request the attorneys appointed as representatives in this application to hereafter complete this assignment by inserting above the filing date and application number of this application when known.
