## Intellectual Property Agreement

Richard H. Odum Jr.  
Summerville, SC

Tech Dept. - FRIS  
8 May 98

As the above-named and undersigned employee, I agree that in consideration of my employment or continued employment, as the case may be, this Agreement between Westvaco Corporation, or any of its direct or indirect subsidiaries or affiliates (each hereinafter for the purposes of this Agreement being hereinafter referred to as "Westvaco"), and me is voluntarily entered into and supersedes all previous agreements, if any, between Westvaco and me relating to the intellectual property and confidential affairs of Westvaco.

In being so I shall remain in the employ of Westvaco, I shall devote my time and ability to the service of Westvaco in such manner as to shall from time to time direct, and I shall perform my duties faithfully and diligently.

### Inventions and Patents

I agree that all inventions (including new constitutions, improvements, ideas, designs, or discoveries, whether patentable or not, and whether or not patent applications have been filed, and other patentable developments conceived or made by me solely or jointly with others during the period of my employment by Westvaco shall belong to Westvaco, provided such inventions or discoveries are patentable developments, or are useful or may be useful in connection with the business of the company in which I am employed by Westvaco, and I agree that I

- (1) will promptly disclose the invention and other patentable developments to Westvaco;
- (2) will assign to Westvaco, at its request and without additional compensation, all my rights, title, and interest in the invention for the United States and all foreign countries to include applications for patents therefor as well as to any divisions, continuations, amendments, reissues, renewals, extensions and other rights and interests in the invention or subsequent to my employment;
- (3) shall do my best to make, execute and deliver such inventions as may be desired by Westvaco in writing or proper in form of my rights, title, and interest in and to said inventions, discoveries, applications and patents to Westvaco and to secure or maintain such applications, patents, renewals, extensions and other rights and interests;
- (4) will give testimony (but without expense to me) in support of my inventions and to patentability; and
- (5) agree that any inventions and discoveries relating to Westvaco's business made by me within my term of employment shall be deemed to be within this provision, unless I can prove that the same were conceived and made after leaving the employ of Westvaco.

### Company May Sublicense to Certain Others

I agree that Westvaco shall be entitled to use any inventions or other patentable developments (whether patentable or not) conceived or made by me which fall within the scope of the above recitation of the terms, but which was conceived or made on Westvaco's time or with the use of Westvaco's facilities or materials or with the use of Westvaco's proprietary information.

Jessica Williams  
Witness

### ASSIGNATIONS

On the back of this form let any assigned inventions conceived or made prior to employment and provide a brief description.

NOTE: IF ANY RESERVED INVENTIONS ARE LISTED, THIS FORM MUST BE REVIEWED WITH A PATENT ATTORNEY IN THE LAW DEPARTMENT.

### Reserved Inventions

On the back of this form is a complete list of all inventions, if any, patented or expected, including a brief description thereof, which I conceived or made prior to my employment by Westvaco, and which I wish to exclude from this agreement.

### Trade Secrets and Proprietary Information

In view of the fact that my work as an employee of Westvaco will bring me into close contact with trade secrets and other proprietary information of Westvaco, including information of a technical nature, such as "know-how," formulas, secret processes or methods, inventions, and research projects, and information of a business nature, such as information about sales, profits, methods, sales, list of customers, plans for future development, and any other information of a confidential nature to the extent not available to the public, I agree to keep secret and not to use or disclose to others any such trade secrets and proprietary information of Westvaco, including information received in confidence by Westvaco from others, either during or after my employment with Westvaco, except upon the written consent of Westvaco. In addition, I agree to report any unauthorized disclosure or use of such secrets and proprietary information of which I become aware. It is understood that such trade secrets and proprietary information of Westvaco includes names, formulas or designs as well as matters I learn from other Westvaco employees. I further agree that I shall not take with me any confidential data or proprietary information and to deliver promptly to Westvaco on termination of my employment with Westvaco, or any time Westvaco may so request, all documents, notes, records, reports, manuals, drawings, blueprints, and any other documents, including any stored in electronically recorded copies, of a proprietary or confidential nature, belonging to Westvaco, including all copies of such materials, which I may then possess or have under my control.

### Copyrights

Except otherwise agreed to in writing, original works of authorship fixed in any tangible form, and prepared by me solely or jointly with others within the scope of my employment with Westvaco, shall be deemed a "work made for hire" under the copyright laws and shall be owned by Westvaco. I understand that my assignment or release of such works can only be made by Westvaco. I hereby assign to Westvaco, without charge, all my rights, title, and interest in and to such original works of authorship.

### Enforceability of Any Confidentiality Agreement

To the best of my knowledge, there is no other contract to assign inventions, copyrights, and other intellectual property that is now in existence between me and any other person, company or partnership, which I have so indicated below and which a copy of my such other contract is attached hereto.

This Agreement shall have no effect unless it is signed by Westvaco, its authorized officers, agents or employees.
