ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Guy Orgambide, Shrikumar Nair, and Mohmed Anwer, the undersigned

Hereby sell, assign and transfer to Affinergy, Inc.

a company of the State of Delaware, having a place of business at Suite 100, 617 Davis Drive, Durham, North Carolina, 27713, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the applications for United States Letters Patent or corresponding foreign applications, which has been invented by the undersigned and is entitled:

"Coating compositions having improved performance"

and in and to said application and all provisional (including, U.S. Application No. 61/039946), nonprovisional, divisional, conventional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States, all other countries in the world, and with any conventions (including the Patent Cooperation Treaty) on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all other countries in the world on said inventions;

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all nonprovisional, divisional, conventional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
