ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, Medi Mohtasham and Hamed Faridfar, (Assignors), do hereby assign and transfer unto Idem Safety Switches Limited, a corporation of the United Kingdom, (hereinafter "Assignee"), having its principal offices at Unit E9 Moss Industrial Estate, St. Helens Road, Leigh, WN7 3PT, Great Britain, and unto its successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "Safety Switch" described and illustrated in an application for Letters Patent of the United States of America, Application Serial No. 12/443,811, filed on March 31, 2009, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and in any division, extension, continuation or reissue thereof, said Assignee bearing all patent application expenses, including attorney fees.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to Assignee, for the sole use and benefit of Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by us had this assignment not been made.

We agree that, when requested, we will, without charge to Assignee, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and/or maintaining patents for said invention in the United States of America for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.
