ASSIGNMENT

WHEREAS Blue Goo, LLC (hereinafter referred to as Assignor), a limited liability company organized and existing by virtue of the laws of the State of Texas having a place of business at 3801 So. Business 45, Ennis, Texas 75120, is the sole owner of all right, title and interest in and to United States Letters Patent No. 6,331,509 entitled Corrosion Resistant Lubricants, Greases, and Gels and the inventions claimed therein; and

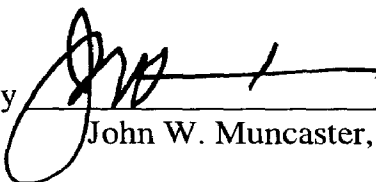

WHEREAS Polyguard Products, Inc. (hereinafter referred to as Assignee), a corporation organized and existing by virtue of the laws of the State of Texas having its principal place of business at 3801 So. Business 45, Ennis, Texas 75120, is desirous of acquiring the entire right, title and interest in and to United States Letters Patent No. 6,331,509, the inventions claimed therein and any patent which may be granted therefor in the United States and any and all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer to the said Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the said United States Letters Patent No. 6,331,509 and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof, along with the right to bring suit in its own name and recover damages for any infringement of said United States Letters Patent No. 6,331,509 which occurred prior to the date of this Assignment.

Assignor also hereby sells and assigns to the said Assignee, its successors and assigns, all Assignor's rights in and to the invention disclosed in said United States Letters Patent No. 6,331,509 in all patent-granting countries of the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name and including all rights of priority under the terms of the International Convention for the Protection of Industrial Property and otherwise; all rights to publish cautionary notices reserving ownership of said invention; and all rights to register said invention in appropriate registries, and further agrees to execute any and all powers of attorney, patent applications, assignments, declarations, affidavits and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors or assigns.

IN WITNESS WHEREOF Blue Goo, LLC has caused this assignment to be duly executed on this 24 day of March, 2009.
