ASSIGNMENT

FOR VALUE RECEIVED, we, Royal A. Hanson, Steven William Shaw, Guillermo E. Meneses, Robson Lindsay Splane, Jr., William P. Debley, of 32351 Temple Way, Westlake Village, CA 91361, 310 Granite St., Simi Valley, CA 93065, 21200 Mayall St., Chatsworth, CA, 30634 Persimmon Lane, Valley Center, CA 92082 and 17424 Strathern, Northridge, CA 91325, respectively, do hereby sell, assign and transfer, for a consideration, receipt and sufficiency of which is hereby acknowledged, all of our right, title and interest relating to U.S. Patent Application filed on February 25, 2009 and assigned Serial No. 29/314,010 and entitled "8-VESSEL DISSOLUTION MACHINE" unto Hanson Research Corporation, a corporation organized and existing under the laws of the State of California, and having its principal place of business at 9810 Variel Ave., Chatsworth, CA 91311, as assignee, and its successors, assigns and legal representatives, finally executed by me on the 26th day of March, 2009, and all the rights and privileges under any and all Letters Patent that may be granted therefore.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim any aforesaid benefit of the right of priority provided by the International convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed Assignment are free and clear of any encumbrance, and that we have full right to convey the same as here expressed.

Signed at Chatsworth, State of California, this 26th day of March, 2009.
