ASSIGNMENT OF PATENTS

Assignment of Patents (this "Assignment") made on the 30th day of December, 1997 between CPC International Inc., a Delaware corporation ("CPC") having its principal place of business at 700 Sylvan Avenue, Englewood Cliffs, New Jersey 07632, and Corn Products International, Inc., a Delaware corporation ("Corn Products") having its principal place of business at 6500 South Archer Road, Bedford Park, Illinois 60501-1933.

WHEREAS, CPC and Corn Products have entered into a Distribution Agreement dated as of December 1, 1997 (the "Distribution Agreement") relating to the separation of CPC's corn refining and related businesses from its other businesses by means of a "spin-off" transaction; and

WHEREAS, the Distribution Agreement provides that CPC shall transfer or cause to be transferred to Corn Products all of CPC's right, title and interest in certain patents and patent applications set forth on Annex A hereto, which is hereby incorporated by reference herein (the "Patent Rights"), and Corn Products is desirous of obtaining CPC's right, title and interest in such Patent Rights;

NOW, THEREFORE, CPC agrees to, and hereby does, assign, grant, convey, transfer and deliver to Corn Products all of CPC's right, title and interest in and to all of the Patent Rights, in each case together with the inventions described and claimed in such Patent Rights and all causes of action for infringement of any of the Patent Rights or unfair competition regarding the Patent Rights, to be held and enjoyed by Corn Products, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by CPC had this assignment not been made.

Execution of this Assignment by CPC shall be binding upon CPC, its subsidiaries, predecessors, partners, joint venturers and affiliates. The provisions of this Assignment shall be effective at 11:59:59 p.m. New York City time on December 31, 1997.

All capitalized terms used herein and not defined herein shall have the meanings given such terms in the Distribution Agreement.

IN WITNESS WHEREOF, CPC has caused its corporate name to be hereunto subscribed by its duly authorized officer this 30th day of December, 1997.
