## ASSIGNMENT BY INVENTORS

**THIS ASSIGNMENT**, by Jeff Hartnett, Alf Lofving, Lars Hultquist, Jan Davidsson and Lennart Myhrberg (hereinafter referred to as Assignors);

**WHEREAS**, Assignors have invented certain new and useful improvements in *Fluid Transfer Device*, set forth in the Patent applications for Letters Patent of the United States, already filed on **November 16, 2007 as U.S. Application No. 61/003,364 and filed on November 13, 2008 as U.S. Application No. 12/291,814**; and

**WHEREAS**, Millipore Corporation, a corporation organized under and pursuant to the laws of the commonwealth of Massachusetts having a place of business at 290 Concord Road, Billerica, MA, 01821, USA (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Applications for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

**NOW, THEREFORE**, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, all rights under the International Convention for the Protection of Industrial Property including all rights of priority, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

**AND** for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns that to the best of Assignors' knowledge and belief, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that to the best of Assignors' knowledge and belief, Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

**AND** for the same consideration, Assignors hereby agree, for themselves and for their heirs, executors and administrators, to execute any lawful document and to testify as to any material fact or thing which Millipore AB, its successors and assigns may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to and the full enjoyment of said inventions or any part thereof and any Application for Letters Patent or Letters Patent which may be granted therefore and thereon in the United States or any foreign country, the same to be done without any further consideration. Assignee agrees to reimburse Assignors for all of Assignors' reasonable costs and expenses resulting from complying with the obligations and duties under this Assignment.

**AND** Assignors hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

**AND** Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document: John Dana Hubbard, U.S. Patent Registration No. 30,465

AND Assignors acknowledge an obligation of assignment of this invention to  
Assignee at the time the invention was made.
