ASSIGNMENT AGREEMENT

For good and valuable consideration of Ten Thousand dollars (\$10,000), which will be paid to William Brandt in the event that this invention is granted a patent, and that Randall Batinkoff nets over \$1million(\$1,000,000) from any business that uses this invention, William Andrew Brandt (hereinafter called "**ASSIGNOR**") having address at: 27665 West Elk Ridge Road Castaic, CA 91384 does hereby assign, transfer, and set over unto Randall Batinkoff, having address at 2812 6th St. Santa Monica, Ca. 90405 (hereinafter called "**ASSIGNEE**") his entire right, title, and interest in all countries of the world in and to the invention described and/or claimed in the patent application having the title Pump Dispenser and to improvements thereof, including, but not limited to the provisional patent applications which is/are officially identified as US Patent Application having serial number _____ filed in the United States, on _____ and to the right to file patent applications, utility model applications, and design registration applications, in the name of **ASSIGNEE**, any of its affiliated companies, its designee, at the sole election of **ASSIGNEE**, on the aforesaid patent application in all countries of the world, together with all rights of priority in such countries deriving from the above-identified patent application under the International Convention for the Protection of Industrial Property, and under any other international agreement to which the United States now is or hereafter becomes a signatory, in and to any and all patents, utility models, and design registrations that are granted from any of the aforesaid applications, and in and to any divisional or other continuing applications, reissues, renewals, and extensions therefrom, the same to be held and enjoyed by said **ASSIGNEE**, its successors, assigns, and other legal representatives to the full ends of the terms which may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

ASSIGNOR hereby covenants and agrees that he will at any time, upon the request **ASSIGNEE** or its successors, assigns, or legal representatives, execute and deliver any and all documents that may be necessary or useful to perfect the title of **ASSIGNEE** to the foregoing inventions, including the execution and procurement of any and all further documents evidencing this assignment as may be necessary or desirable for recording the same in the patent offices of any country concerned, and will execute any additional divisional or other continuing applications for patents, for said inventions, or any part or parts thereof, and will make all rightful oaths and declarations, provide information, and do all lawful acts that are reasonably necessary or useful for perfecting, maintaining, and enforcing rights to the same, or for aiding therein, without further compensation.

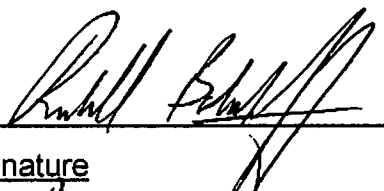

ASSIGNOR does hereby agree that the present ASSIGNMENT is good and sufficient to transfer all rights to the above invention(s) to the **ASSIGNEE**, and promises not to contest such transfer in a court of law either in the United States or in foreign countries.

ASSIGNOR hereby authorizes **ASSIGNEE**, its affiliated companies, or designee, or its successors or assigns, to appoint attorneys on his behalf to procure, maintain, and enforce patent rights or registrations for the protection of the inventions and invention rights assigned by this instrument

ASSIGNOR agrees that each clause of this ASSIGNMENT is individually enforceable whether or not one or more other clauses may be considered invalid under a law of India or any foreign country.

ASSIGNEE is authorized to insert above at any time an officially issued application number and filing date that becomes available after preparation of this document, identifying the patent application mentioned hereinabove.

This assignment shall be binding upon **ASSIGNOR'S** heirs, executors, administrators, successors, and/or assigns, and shall inure to the benefit of the heirs, executors, administrative successors and/or assigns, as the case may be, of said **ASSIGNEE**.
