# ASSIGNMENT OF PATENT RIGHTS AND ROYALTIES

FOR GOOD AND VALUABLE CONSIDERATION,

I, the undersigned Assignor in consideration of the sum of \_\_\_\_\_ to me in hand paid by the Assignee and other good and valuable consideration receipt of which is hereby expressly acknowledged, hereby sell, assign and transfer unto

David Yankelevitz

an individual residing in New York, New York as Assignee, and his successors, assigns and legal representatives, my entire right, title and interest, subject to previous assignments and obligations, for all countries in and to certain inventions relating to

the Patents and Patent Applications listed in the attached Schedule A and Schedule B (the Intellectual Property).

and any and all royalties and/or other income paid to me therefrom, and from any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for said application for the Intellectual Property, and all the rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. I request that any and all Letters Patent for inventions on Schedule B be issued to said Assignee, his successors, assigns and legal representatives, or to such nominees as he may designate.

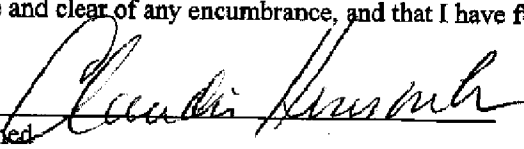

I agree that, when requested, I will, without charge to said Assignee but at his expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, his successors, assigns and legal representatives or nominees.

I authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by him or them, the benefit of the right of priority provided by the Paris Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International convention which may henceforth be substituted for it.

I covenant with said Assignee, his successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

Signed
