WHEREAS, Assignor has invented a new and useful design for INLINE MICROPHONE FOR EARPHONE for which a design application for United States Letters Patent has been executed by him this day; and

WHEREAS, Assignor believes himself to be the original and first inventor of the design disclosed and claimed in said design application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application, and any Letters Patent that may be granted for said design in the United States and throughout the world;
