ASSIGNMENT

WHEREAS, I, Jason S. Arbuckle of Horicon,
County of Dodge, and State of Wisconsin
has invented certain new and useful improvements in Method for Monitoring the
Operation of a Global Position System Receiver

for which an application is about to be made for Letters Patent of the United
States, said application having been executed on even date herewith; and

Whereas, Brunswick Corporation, a corporation organized and existing under
the laws of the State of Delaware, and having its principal offices at 1 North
Field Court, Lake Forest, Illinois 60045-4811, is desirous of acquiring the entire
right, title and interest in and to said invention, said application and in, to
and under any and all Letters Patent to be obtained therefor:

Now, therefore, for good and valuable consideration to me paid by the said
Brunswick Corp., the receipt of which is hereby acknowledged, I have sold,
assigned and transferred, and by these presents do hereby sell, assign and
transfer unto the said Brunswick Corp., its successors and assigns, my entire
right, title and interest in and to said invention, said application and the
Letters Patent, both foreign and domestic, that may or shall issue, including all
of my rights under any and all international conventions, treaties and/or
agreements concerning patents to which the United States is a party, and I do
hereby authorize and request the Commissioner of Patents to issue said Letters
Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it
may properly designate, to apply for Letters Patent, in its own name if desired,
in any and all foreign countries, and additionally to claim the filing date of
said United States application and/or otherwise take advantage of the provisions
of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and
assigns, that I will not execute any writing or do any act whatsoever conflicting
with these presents, and that I or my executors or administrators will at any time
upon request, without further or additional consideration, but at the expense of
the said assignee, its successors assigns, execute such additional writings and
do such additional acts as said assignee, its successors and assigns, may deem
necessary or desirable to perfect the assignee's enjoyment of this grant, and
render all necessary assistance in making application for and obtaining original,
divisional, reissued or extended Letters Patent of the United States, or any of
and all foreign countries on said invention, and in enforcing any rights,
occurring as a result of such applications or patents, by giving testimony in any
proceedings or transactions involving such applications or patents.
