### Assignment

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned,

ITAMI, Yujiro – Lunterenstraat 53, Tilburg, THE NETHERLANDS NL-5045 WG, and  
KASE, Akira – Nistelrodestraat 43, Tilburg, THE NETHERLANDS NL-5045 MD,

Hereby sell, assign and transfer to FUJIFILM Manufacturing Europe B.V., a corporation of The Netherlands, having a place of business at Oudenstaart 1, Tilburg, The Netherlands NL-5047 TK, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, for which we filed an application for United States Letters Patent on February 4, 2009, which application was accorded application no. 12/365,299 and is entitled,

"POROUS MEMBRANES AND RECORDING MEDIA COMPRISING SAME";

and in and to said application and all divisional, continuing, substitute, renewal, reissued and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements, execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patent and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
