ASSIGNMENT OF PATENT

WHEREAS, I, Gilbert Richard Wickens of Rio Rancho, county of Sandoval, and state of New Mexico, have been assigned a certain new and useful tool entitled "Installation and Drainage System for Synthetic Grass", U.S. Patent No. 7,147,401.

Whereas, WIPOL, LLC, having his principal place of business at 2305 Agua Fria Dr., Rio Rancho, New Mexico 87144 is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to, and under any and all Letters Patent.

Now, therefore, for good and valuable consideration to me paid by the said WIPOL, LLC, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said WIPOL, LLC, its successors and assigns, my entire right, title and interest in and to said invention, said application, and the Letters Patent, both foreign and domestic, that have issued, including all of my rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all

necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
