ASSIGNMENT AND AGREEMENT

For value received, I, Peter Vinci of P.O. Box 266, Mt. Tremper in the County of Ulster and the State of New York hereby sell, assign and transfer to Innovative Products of America, a Corporation of the State of Pennsylvania, having an office at 5401 Route 212, Mt. Tremper, New York 12457 and their successors, assigns, and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **APPARATUS FOR CLEANING MALE ELECTRICAL PINS** to Peter Vinci and Ian R. Vinci, and all the rights and privileges in said application and under any and all patents that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Innovative Products of America the entire right, title, and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including patents, that may be granted in said countries foreign to the United States for said inventions.

I authorize Innovative Products of America to make application for such protection in their own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Innovative Products of America to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Innovative Products of America in the United States and in all countries foreign to the United States, or to such nominees as Innovative Products of America may designate.

I agree that, when requested, I shall, without charge to Innovative Products of America but at their expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Peter Vinci
