PATENT ASSIGNMENT

This PATENT ASSIGNMENT ("Assignment") dated as of May 5, 2009 (the "Effective Date"), is made by and between VERISIGN, INC., a Delaware corporation ("Assignor"), and MOREOVER ACQUISITION CORPORATION, a Virginia corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of legal title to the patent applications identified on Schedule A to this Assignment (collectively, the "Patents"), while Moreover Technologies, Inc. ("Company") is the beneficial owner of the economic rights to the Patents;

WHEREAS, pursuant to that certain Share Purchase Agreement, dated as of May 5, 2009, by and between Assignor and Assignee and relating to the stock of Company (the "Share Purchase Agreement"), Assignor has agreed to assign its rights to certain intellectual property, including the Patents, to Assignee.

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Share Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby assigns to Assignee all of Assignor's right, title, and interest in and to the Patents.

2. Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. The parties hereto shall cooperate to execute and deliver such other documents and take all such other actions as reasonably necessary to effect the intent hereof.

3. Further Acts. For each of the Patents, Assignee agrees to complete, execute and file at the United States Patent and Trademark Office (USPTO), within ninety (90) days of the Effective Date, forms sufficient to change ownership, power of attorney and USPTO correspondence address, and such documents as are necessary to reflect the change in ownership, responsibility and correspondence for assets in jurisdictions other than the United States. As of the Effective Date, Assignee assumes all responsibility for meeting any and all deadlines and preserving and pursuing any and all rights pertaining to the Patents.

4. Warranties. EXCEPT AS EXPRESSLY SET FORTH IN THE SHARE PURCHASE AGREEMENT, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS, OR REGARDING THE SCOPE, VALIDITY, OR

ENFORCEABILITY OF ANY INTELLECTUAL PROPERTY RIGHTS ASSIGNED
HEREUNDER.

5. General Provisions. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. This Assignment along with its Schedule, together with the Share Purchase Agreement, constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. In the event of any conflict between the terms of this Assignment and the terms of the Share Purchase Agreement, the terms of the Share Purchase Agreement shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions.

6. Governing Law; Jurisdiction and Venue. This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction. Both the Assignee and the Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the state courts located in the Fairfax County, Virginia, and the United States District Court, Eastern District of Virginia, Alexandria Division (or in any court in which appeal from such courts may be taken) for enforcement or interpretation of this Assignment, and for any disputes under or arising out of this Assignment.

[Remainder of this page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, Assignor and Assignee has caused this instrument to be executed by its respective duly authorized representative as of the Effective Date.

VeriSign, Inc.
