ASSIGNMENT

For valuable consideration, I, Bassam D. Jalbout of, 260 Strathcona Mont-Royal, Quebec, Canada, hereby assign, sell, and transfer to: LSI Industries, a corporation of Ohio, having a place of business at: 10,000 Alliance Road Cincinnati, Ohio 45242, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are subject of an application for United States Patent signed by me, entitled "Control of Light Intensity Using Pulses of a Fixed Duration and Frequency," filed July 31, 2007, and identified as U.S. Application Serial Number 11/882,323, this assignment including said application, any and all United States and foreign patents, including divisions, continuations, reissues, and all other applications, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, preliminary statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at Montreal, Quebec  
\_\_\_\_\_, this 27th day of August, 2007
