Assignment of Patent

Whereas, I, **EDWARD HARVEY**, hereafter referred to as inventor, have invented certain new and useful improvements relating to a **GUN SAFETY SHIELD** for which a United States Patent was issued on March 17, 1998, U.S. Design Patent No. 392,364. For "GUN SAFETY SHIELD", and

Whereas, **ONYX V, LLC**, herein referred to as assignee, whose post office address is 6 Knollside Court Stafford, Virginia 22554, is desirous of acquiring the entire right, title and interest in the same:

Now, therefore, in consideration of the sum of ten dollars (\$10.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, **EDWARD HARVEY**, by these presents do sell, assign and transfer unto said assignee the full and exclusive right, title, and interest to said invention and patent in the United States and all countries throughout the world including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations and extensions thereof, and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and all countries throughout the world including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations and extensions thereof. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

The undersigned hereby grant the firm of Kramer and Amado, P.C. the power to insert on this document any identification which may be necessary or desired to reference the property being transferred under the rules of the United States Patent and Trademark Office for recordation purposes.
