ASSIGNMENT

Serial No.: 11/557,327
Filed: November 7, 2006
Title: RF Label Identification

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assigns to Sagem Defense Securite, having a place of business at Le Ponant de Paris, 27, Rue Leblanc, Paris 75015, France (hereinafter "assignee"), their remaining fifty percent (50%) right, title and interest in the invention or improvements of the undersigned disclosed in above-referenced application for Letters Patent of the United States, and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that other than a previous assignment to Sagem Defense Securite executed by the undersigned and recorded at the U.S. Patent and Trademark Office at Reel 018561, Frame 0512 there are no other outstanding prior assignments, licenses, or other rights in the interest herein assigned. In combination with the assignment recorded at Reel 018561, Frame 0512, one hundred percent (100%) of our right, title and interest in the invention disclosed in the above-referenced application should now rest with Sagem Defense Securite.

For said consideration the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
