GIAT INDUSTRIES TO NEXTER MUNITIONS
PATENT ASSIGNMENT

WHEREAS, GIAT Industries, a corporation organized under the laws of France, and having a place of business at 13 route de la Minière, 78000 Versailles, France, is the owner of the inventions, applications and patents relevant thereto identified in the attached Appendix A, which shall collectively hereinafter be called the "Patent Properties";

WHEREAS, said GIAT Industries (hereinafter "Assignor") has desired to assign the entirety of its right and interest for the United States to said Patent Properties and any continuations, divisions, reissues, certificates of re-examination, extensions thereof, and corresponding ownership rights, to NEXTER Munitions, a corporation organized under the laws of France, and having a place of business at 13 route de la Minière, 78000 Versailles, France, (hereinafter "Assignee")

Now, To All Whom It May Concern: be it known that for and in consideration of good and valuable considerations transferred from said Assignee to said Assignor, the receipt of which is hereby acknowledged by said Assignor, the said Assignor has effective January 2, 2009, sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over, unto the said Assignee its successors and assigns, the entirety of Assignor's rights, title and interest, for the United States, its territories, dependencies and possessions, in and to said Patent Properties including any continuations, divisions, reissues, re-examination certificates or extensions thereof; the same to be held and enjoyed by said Assignee its successors and assigns, as fully and entirely as the same would have been held and enjoyed by said Assignor had this assignment and sale not been made, together with all claims for damages by reason of past infringement of said Patent Properties and included rights, with the right to sue for, and collect any such damages for Assignee's use and for the use of its successors, assigns and other legal representatives.

The Assignor agrees to execute all papers necessary in connection with said Patent Properties including continuing, divisional or reissues applications or re-examinations thereof, and to execute separate assignments in connection with any of the Patent Properties and included rights should the Assignee deem necessary or reasonably expedient.

The Assignor further agrees to execute all papers reasonably necessary in connection with any proceeding which may be declared concerning said Patent Properties and included rights, and to cooperate with Assignee in all reasonable ways in obtaining evidence and going forward with any such proceeding.

The Assignor further agrees to execute all papers and documents and perform any act which may be reasonably necessary in connection with claims or provisions of any international convention or similar agreement affecting any of said Patent Properties and included rights.

The Assignor hereby represents that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute, any agreement in conflict herewith.

The Assignor grants the firm of STEPTOE and JOHNSON LLP the power to insert on this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recording of this document.
