Confirmation Of Grant Of Security Interest

This confirmation of grant of security interest (the "Confirmation") is made by VoiceVerified, Inc., a Delaware corporation ("Grantor"), in favor of the Collateral Agent for its benefit, and the ratable benefit of each of the Purchasers (as those terms are respectively defined in the Security Agreement dated April 15, 2008, and the Secured Note and Warrant Purchase Agreement dated April 15, 2008) (collectively "Grantees").

A. Grantor did, on April 15, 2008, through its execution of the Security Agreement, grant a security interest to Grantees in the patents (and patent license) set forth on Schedule I (the "Patents").

B. Grantor desires to confirm having conveyed such security interest in the Patents to Grantees as more fully described in the Security Agreement.

Accordingly, Grantor confirms that, effective as of April 15, 2008, it granted to Grantees a security interest in the Patents as described in the Security Agreement, the terms of which this Confirmation incorporate by reference. The terms of the Security Agreement will control in the event of any conflict between it and this Confirmation.
