ASSIGNMENT

1. **WHEREAS**, Box Systems (US), LLC of 952 Village Green Avenue, Lexington, Kentucky 40509, a corporation duly organized and existing under and by virtue of the laws of the State of Kentucky (hereinafter referred to as Assignor), is the owner of the entire right, title, and interest in and to a certain application for letters patent of the United States and the invention disclosed therein; and

2. **WHEREAS**, Box Systems International Limited, 66-70 Oxford Street, Southampton, Hampshire SO14 3DL, United Kingdom, a corporation duly organized and existing under and by virtue of the laws of the United Kingdom (hereinafter referred to as Assignee), is desirous of acquiring said right, title, and interest of Assignor;

3. **NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign, and transfer unto Assignee, its successors and assigns, all of Assignor's right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States application or in whole or in part

on said invention, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof; including specifically, without limiting the generality of the foregoing, the United States patent application listed below.

4. **TO BE HELD AND ENJOYED BY** Assignee, its successors and assigns, to the ends of the respective full terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

5. **AND** Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said United States patent applications to assignee, its successors and assigns.

6. **AND** Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by said Assignee, its successors or assigns fully to secure its interest as aforesaid in and to said invention or any part thereof, and in and to said patent applications or any of them, and in and to said several patents or any of them.

BSI 5640

7. **AND** Assignor covenants that Assignor has granted no right or license to make, use or sell said invention to anyone except said Assignee, that prior to the execution of this deed Assignor's right, title, and interest in said invention has not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.
