hereinafter called the Assignee,

The undersigned Assignor hereby confirms the transfer and assignment, and transfers and assigns to the Assignee, for its benefit and the benefit of its successors and assigns, all rights, title and interest in Canada, the United States and World Rights in and to the invention relating to the following subject matter for which patent applications have been and/or may be filed:

Title: GAS COMPRESSOR WITH DRIER AND RADIO EMISSION CONTROLS

PCT Serial No.: PCT/CA03/01474, filed 6 October 2003

and to all corresponding rights, title and interest in and to any patent which may issue therefore.

And further, the undersigned Assignor hereby transfers and assigns to the above Assignee all rights, title and interest in such invention, and all improvements thereon for which rights may hereafter be acquired by the Assignor, in respect of all countries of the world, together with the right of priority acquired by the above filings and the right to file patent applications thereon and take similar proceedings in all and any countries in the world, with or without additional matter, as a Continuations-In-Part, Patent of Addition, Reissue or similar procedure, and to receive all such patents and similar rights as may issue on such applications.

And in particular, the undersigned Assignor hereby transfers and assigns the right to file an application under the Patent Cooperation Treaty for such invention, and any subsequent national applications following thereon, and to receive such patents as may result from such procedures.

The undersigned Assignor hereby further agrees to communicate to the said Assignee, its successors or assigns any facts as may be acquired respecting any improvements, and, at the expense of said Assignee, sign all lawful papers, testify in any legal proceedings, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid the said Assignee, its successors and assigns, to perfect this transfer of rights and to obtain proper patent protection for such invention in all countries of the world.

Signed at Toronto this 14<sup>th</sup> day of March, 2005
