to Abon Biopharm(Hangzhou) CO., Ltd., a corporation of the People’s Republic of China, having a place of business at #198 12th Street East, Hangzhou Economic & Technological Development Area, Hangzhou, Zhejiang, P.R. China, 310018 (hereinafter called “Abon”) and Abon’s successors and assigns.

Abon hereby assigns Abon’s entire rights, title and interest throughout the world in the Applications and Inventions to Inverness Medical Switzerland GmbH, a corporation of Switzerland, having a place of business at Bahnhofstrasse 28, CH-6300 Zug, Switzerland (hereinafter called “the Assignee”) and the Assignee’s successors and assigns.

Each of the Inventor(s), and Abon confirms that its respective foregoing assignment of its entire rights, title, and interest throughout the world in the Applications and Inventions includes the entire rights, title and interest to any inventions and improvements as described in the Applications, to any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements as described in the Applications, and to any continuations, divisionals, substitution, renewals, and continuation-in-part of any of the Applications and such patents, utility models, and design registrations, and each and every reissue, reexamination, or extensions of any of the foregoing, and the right to claim priority based on the filing date of the Applications in any country, under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, European Patent Convention, and all other treaties of like purposes, and each of the
Inventor(s) and Abon authorizes the Assignee to apply in all countries in the name of the Inventor(s) or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors’ certificates for said inventions and improvements as described in the Applications.

Each of the Inventors hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States, foreign countries, or under any international convention, agreement, protocol, or treaty. Such cooperation by said Inventor(s) shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any applications covering said Inventions; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said Inventions; (d) for filing and prosecuting applications for reissuance of any said Patent(s); (e) for interference or other priority proceedings involving said Inventions; and (f) for legal proceedings involving said Inventions and any applications therefor and any Patent(s) granted thereon, including without limitation reissues and reexaminations, opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Inventor(s) in providing such cooperation shall be paid for by said Assignee.

Each of the Inventor(s) and Abon agrees for themselves and their respective heirs, legal representatives, successors and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully these assignments.

The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Inventor(s), their respective heirs, legal representatives and assigns.
