ASSIGNMENT

Whereas, we, **John O'REGAN**, an Irish Citizen of 230 Harolds Cross Road, Dublin 6W, Ireland and **Gillian RYAN**, an Irish Citizen of c/o Butlers Chocolates Ltd., Clonshaugh Business Park, Dublin 17, Ireland have jointly invented certain new and ornamental improvements in a "**Chocolate**", for which I am contemporaneously filing a U.S. design application;

And whereas, **The Irish Chocolate Company**, a company duly organized and existing under the laws of Ireland and having a place of business at Clonshaugh Industrial Estate, Clonshaugh, Dublin, 17 Ireland, is desirous of acquiring the entire right, title and interest in, to and under said invention and said patent application, any continuing applications, continuations-in-part, divisional applications, refiled or reissue applications made in the United States of America which may result from said invention and information disclosed in said application, and any and all Letters Patent of the United States which may be issued therefrom;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, we, **John O'Regan and Gillian Ryan**, do hereby sell, assign and transfer to **The Irish Chocolate Company** the entire and undivided right, title and interest in and to our invention of new and ornamental improvements in and to a "**Chocolate**", said application for letters patent, the invention therein described, and all rights appurtenant thereto and in all our applications related thereto in the United States of America, including each of the following: the right to apply for any letters patent for said invention in the United States of America, any and all other applications for letters patent on said invention including all divisional, renewal, substitute and continuation applications based in whole or in part upon said invention or upon said application or related thereto; any and all letters patent that may issue thereon in the United States of America and any and all reissues, extensions, renewals, divisions, or continuations of letters patent granted for said inventions or upon said applications, to the full end of the term or terms for which said letters patent may be issued; and every priority or other right accorded by every international convention, treaty or agreement that is or may be predicated upon or arise from said invention, application and other applications or letters patent therefore; and the right to apply for and be granted registered design protection in every other country of the World, all to be held and enjoyed by **The Irish Chocolate Company**, its successors and assigns, all the same as we would have held and enjoyed had this Assignment not been made.

we hereby request and authorize the Commissioner of Patents and Trademarks of the United States of America to grant, issue and transfer any letters patent for said invention to **The Irish Chocolate Company** as assignee of the entire right, title and interest therein, in accordance with this instrument of assignment.

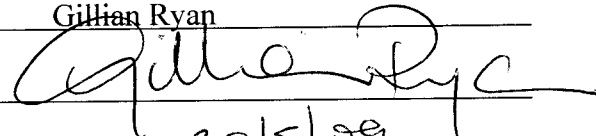

IN WITNESS WHEREOF, the inventors have duly executed this Assignment as of the date written below.
