ASSIGNMENT

WHEREAS, KS Aluminium-Technologie GmbH, a corporation organized and existing under and by virtue of the laws of Germany, having an office at Hafenstrasse 25, Neckarsulm D-74172, Germany, is the owner by previous assignment, dated November 6, 2008, of the entire undivided right, title and interest of Manfred LAUDENKLOS, in and to an invention for new and useful improvements in or relating to MOLD RELEASE LAYER FOR CASTING NONFERROUS METALS for which an application for Letters Patent in the United States was assigned Application Number 12/205,311, and is the owner of an undivided right, title and interest in and to said application by said previous assignment;

And WHEREAS, Gelita AG, a corporation organized and existing under and by virtue of the laws of Germany, having an office at Uferstrasse 7, D-69412 Eberbach, Germany, and

their heirs, successors, legal representatives and assigns (hereinafter designated as the Assignees) are desirous of acquiring 50 % of the entire right, title and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in equal undivided amounts unless specific undivided amounts are listed below:

Assignee 1 (50%); Assignee 2 (50%).

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) lawful money of the United States and other

valuable considerations, to me in hand paid, the receipt of and sufficiency whereof are hereby acknowledged, the said KS Aluminium-Technologie GmbH, has sold, assigned and transferred and does hereby sell, assign and transfer unto the said Assignee, their successors and assigns, 50 % of it's right, title and interest in and to the said application and the invention therein contained, including all rights of action and damages for past infringement, and including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and including the right to claim the priority of the date of filing in the United States and any Letters Patent that may issue thereon, or therefor, in the United States and foreign countries and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, to be held and enjoyed by the said Assignees, their successors and assigns the same as it would have been held and enjoyed by KS Aluminium-Technologie GmbH, if this assignment and sale had not been made.

AND, KS Aluminium-Technologie GmbH, hereby authorizes and requests the Commissioner of Patents and Trademarks to issue 50 % of all such Letters Patents to the said Assignees, in accordance with this instrument of assignment.

KS Aluminium-Technologie GmbH, hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interests granted herein and that KS

Aluminium-Technologie GmbH, will not execute any instrument or grant or transfer any rights or interests inconsistent therewith, and KS Aluminium-Technologie GmbH, binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may be, to execute and deliver to the said Assignee, their successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by the said Assignee, their successors and assigns to file applications for the said improvements and invention in any country where it may elect to file such applications, and that may be necessary to vest in the said Assignees, their successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND, KS Aluminium-Technologie GmbH, further covenants and agrees, in consideration of the premises, that it, its executors and administrators will, at any time upon request, communicate to the said Assignees, their successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by the said Assignees, their successors and assigns.

The undersigned hereby grants the law firm of Muncy, Geissler, Olds & Lowe, PLLC the power to insert on this Assignment any further identification which may be necessary or desirable in

Attorney Docket No.: 1032/0107PUS1

order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, KS Aluminium-Technologie GmbH, have hereunto set my hands and seal this 20 day of May, 2009.

KS Aluminium-Technologie GmbH,
