ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which is hereby acknowledged, the undersigned does hereby:

SELL, ASSIGN AND TRANSFER to **MiniMac LLC**, (the "Assignee"), a limited liability company of the State of Texas having a place of business at 5910 FM 2920, Suite B, Spring, Texas, 77388 the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent identified below, such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States; however, Dean Schneider specifically retains all rights (and does not sell, assign or transfer same) to the artwork disclosed in the application for any purpose other than for decorative lock escutcheons, keys, jewelry items and uses associated with caskets;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee consistent with the sale, assignment and transfer;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned except s consistent with those rights to the artwork that Dean Schneider has retained, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all such improvements to the extent consistent with Dean Schneider's limited sale, transfer and assignment; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for such improvements and for vesting title to such improvements in the Assignee consistent with Dean Schneider's limited sale, transfer and assignment;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.

The entire worldwide right, title, and interest in all inventions and improvements ("SUBJECT MATTER") that are disclosed in the application for United States Letters Patent entitled: **LOCK ESCUTCHEON** ("APPLICATION") save and except for Dean Schneider's rights in the artwork disclosed in the Application for any purpose other than for decorative lock escutcheons, keys, jewelry items and uses associated with caskets, which:
