for good and valuable consideration, receipt of which is hereby acknowledged, have assigned, sold and transferred to and do hereby assign, sell and transfer to Intradigm Corporation, a corporation organized and existing under the laws of the State of Delaware and having an office and a place of business at 3350 W. Bayshore Rd., Palo Alto, California 94303, its successors and assigns:

(1) the entire right, title and interest in the United States and in all countries throughout the world in and to any and all our inventions and discoveries disclosed in the application we have made for United States Letters Patent entitled: "COMPOSITION AND METHODS OF RNAi THERAPEUTICS FOR TREATMENT OF CANCER AND OTHER NEOVASCULARIZATION DISEASES", and filed on February 8, 2008, under Serial Number 12/069,349, in the United States Patent and Trademark Office, including any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor; (2) the full and complete right to file patent applications in the name of Intradigm Corporation, its designee, or in my name at Intradigm Corporation, or its designee's election, on the aforesaid inventions, discoveries and applications in the United States and all countries of the world; (3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world and any renewals, revivals, reissues, reexaminations and extensions of the same; and (4) the entire right, title and interest in and to all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications.

We hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Intradigm Corporation, as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

We agree, at any time, upon the request of Intradigm Corporation to execute and to deliver to Intradigm Corporation any additional applications of which we are aware for patents for said inventions and discoveries, or any part or parts thereof, and any applications of which we are aware for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

We further agree, at any time, upon request of Intradigm Corporation to execute and to deliver to Intradigm Corporation such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect any and all rights of Intradigm Corporation under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.
