ASSIGNMENT BY INVENTOR(S)

THIS ASSIGNMENT, made this 8 day of June 2009, by Eran Levit and Eran Hirszowicz (hereinafter referred to as Assignor(s)), residing at P.O. Box 1269, Kfar Vradim, ISRAEL 25147 and 171 Aluf David Street, Ramat Gan, ISRAEL 52236; respectively, and;

WHEREAS, Assignor(s) have invented certain new and useful improvements in **BALLOONS AND BALLOON CATHETER SYSTEMS FOR TREATING VASCULAR OCCLUSIONS** ("invention(s)"), set forth in a United States patent application, already filed on October 22, 2008 as U.S. Application No. 12/256,446, which claims priority to U.S. Provisional Application No. 60/960,390, already filed on October 22, 2007; and

WHEREAS, EndoCross Ltd., a company organized under and pursuant to the laws of Country of Israel, having its principal place of business at New Industrial Park Building 7, P.O. Box 620, Yoqneam, ISRAEL 20692 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention(s) and said patent application(s), and in and to any patent(s) to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor(s) have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention(s) and patent application(s), and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application(s), and any and all United States patent(s) and any and all patent(s) of countries foreign to the United States which may be granted therefor and thereon, and reissues, reexaminations and extensions of said patent(s), all priority rights, all rights under the Patent Cooperation Treaty, all rights under the International Convention for the Protection of Industrial Property, and all rights to recover for past infringement, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which said patent(s) may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor(s), had this sale and assignment not been made.

AND for the same consideration, Assignor(s) hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor(s) are the sole and lawful owner(s) of the entire right, title and interest in and to the said invention(s) and patent application(s) above-mentioned, and that the same are unencumbered and that Assignor(s) have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor(s) hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignor(s) will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any patent(s) and patent application(s) for said invention(s), without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said invention(s), or said patent application(s), or patent(s) in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any patent application(s), or any reissue, reexamination or extension of any patent(s), to be obtained thereon, is lawful and desirable.

AND Assignor(s) hereby request the United States Commissioner of Patent and Trademarks to issue any and all United States patent(s) for said invention(s), or from or claiming priority to said patent application(s), to Assignee, as Assignee of said invention(s) and any patent(s) to be issued therefor and thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor(s) hereby request the empowered Officials of any country or countries foreign to the United States, whose duty it is to issue patents on applications, to issue any and all patent(s) which may issue for said invention(s), or from or claiming priority to said patent application(s), to Assignee, as Assignee of said invention(s) and any patent(s) to be issued therefor and thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor(s) hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
