ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

Hossein Izadpanah of Thousand Oaks, California
Mehran Mohktari of Thousand Oaks, California

hereby sell, assign and transfer to **Tialinx, Inc.**, a California corporation, having a place of business at 1100 Quail Street, Suite 203, Newport Beach, CA 92662, its successors and assigns, the entire right, title and interest throughout the world in my invention in

MULTI-APERTURE THREE-DIMENSIONAL BEAMFORMING

for which we filed a United States Patent Application on **June 6, 2008**, **Application Serial No. 12/135,138**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 4th day of September, 2008.
