WHEREAS, we, Gloria Lin, Wyeman Chen, Michael Nikkhoo, Michael Rosenblatt, Hammid Mohammadinia, Ziv Wolkowicki, and Amir Salehi, residing, respectively, in San Ramon, California; Hayward, California; Saratoga, California; Campbell, California; San Jose, California; Valley Stream, New York; and San Jose, California;, have made an invention in:

METHODS AND APPARATUS FOR SHIELDING
CIRCUITRY FROM INTERFERENCE

the specification of which was filed as U.S. Patent Application 12/397,922 on March 4, 2009; and

WHEREAS, APPLE INC., a corporation organized and existing under the laws of California and having an office and place of business at 1 Infinite Loop, Cupertino, California 95014 is desirous of acquiring the entire interest in said invention, said United States patent application and any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we hereby sell, assign and transfer unto the said APPLE INC., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part, and divisions

thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, continuations-in-part, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said APPLE INC., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seal on the date indicated hereinafter.
