ASSIGNMENT

WHEREAS, we, Andrew P. Johnson, residing at 300 E. 4th Street, St. Paul, Minnesota 55101 and Matthew J. Blackford, residing at 739 Melville Circle, Hastings, Minnesota 55033, made certain new and useful inventions and improvements for which we filed an application for Letters Patent of the United States on March 30, 2009, application Serial No. 12/414,364 which is entitled BUCKLE.

AND WHEREAS, D B Industries, Inc., a corporation organized and existing under and by virtue of the laws of the State of Minnesota, and having an office and place of business at 3833 Sala Way, Red Wing, Minnesota 55066-5005 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

AND WHEREAS, we are desirous of ensuring that the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent were effectively received by and vested in the Assignee no later than the Filing Date;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, effective before the Filing Date, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to
