ASSIGNMENT OF UNITED STATES PATENT APPLICATION

WHEREAS, Wei H. Koh and John Ho (hereinafter referred to as the "Inventors") have invented certain new and useful improvements (hereinafter referred to as "Invention") which are covered by a U.S. patent application, the identity of which is listed below:

Application Serial No.: 11/416,445
Filed: May 3, 2006
Entitled: MEMORY MODULE AND CARD WITH INTEGRATED
RFID TAG

WHEREAS, Kingston Technology corporation of 17600 Newhope Street, Fountain Valley, California 92708 (hereinafter referred to as "KINGSTON") wishes to acquire all of the Inventors' right, title and interest in and to said Invention and the patent application therefor;

THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said Inventors have sold, assigned, and transferred and by these presents do sell, assign, and transfer unto KINGSTON and to its successors, legal representatives and assigns, the Inventors' entire right, title and interest in and to said Invention and in and to said patent application as well as any continuation, division and reissue thereof for the territory of the United States of America and for all foreign countries, said Invention and application to be held and enjoyed by KINGSTON for its own use and enjoyment and for the use and enjoyment of its successors, legal representatives and assigns, to the full end of the term for which U.S. Letters Patent on same will be granted, as fully and entirely as the same

would have been held by the Inventors had this assignment and sale not been made.

Said Inventors hereby covenant that they have the full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

Said Inventors further covenant and agree that he will communicate to KINGSTON and to its successors, legal representatives and assigns, any facts known to them respecting said Invention, and testify in any legal proceeding, sign all applications, make all rightful oaths, and, at no expense to themselves, do everything reasonable to aid KINGSTON and its successors, legal representatives and assigns to obtain and enforce proper patent protection for said Invention in all countries.

Said Inventors acknowledge that this Invention is not subject of any employment agreement as defined under the provisions of Section 2870 of the California Labor Code, which states that:

Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:
