WHEREAS I, Mark MOSHAYEDI of Newport Coast, California, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled ENHANCED MLC SOLID STATE DEVICE and executed concurrently herewith;

AND WHEREAS, STEC, Inc., a corporation of the State of California and having an address of 3001 Daimler, Santa Ana, California 92705, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto STEC, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;
