## ASSIGNMENT

WHEREAS I, **Graham Lobban**, of 56 Pinewood Lane, R.R. #1, St. Clements, Ontario, N0B 2M0, Canada, am the inventor of an invention entitled

### RAINWATER COLLECTOR

for which an application for United States Design Patent was filed on October 28, 2008 in the United States Patent and Trademark Office and assigned Application No. 29/326,983:

AND WHEREAS **RTS Companies Inc.**, of 650 Rupert Street, Waterloo, Ontario, N2V 2R8, Canada (hereafter, together with any successors and assigns thereof, the "Assignee"), wishes to acquire the entire right, title and interest in and to said application, as well as any corresponding applications filed anywhere in the world, and in and to the right to sue for past infringement and to collect for all past, present and future damages;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said design, and said application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patent which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents and industrial designs (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said design in any countries of the world, and all patents and industrial designs (including all extensions, renewals and reissues thereof) granted for said design in any countries of the world; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of any other countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said design

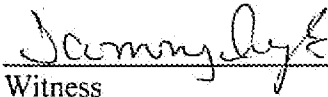

and corresponding industrial design registrations to Assignee in accordance with the terms of this assignment;

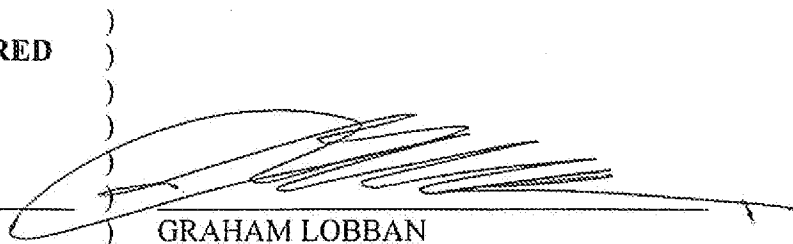

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting said design, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said design in all countries.

IN WITNESS WHEREOF, I have executed this Assignment as of the 28<sup>th</sup> of October, 2008.
