ASSIGNMENT

For valuable consideration, I, Jay C. Hirshberg, of Newton, MA 02465, assign to:
Fortelligent, Inc., a corporation of Delaware having a place of business at:

116 Huntington Avenue
12th Floor
Boston, MA 02116; and

its successors and assigns (collectively "the Assignee"), my entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent signed by my, entitled PREDICTIVE MODEL GENERATION, filed April 16, 2004, and assigned U.S. Serial Number 10/826,630, and I authorize and request the attorneys appointed in said application to complete this assignment by inserting above the filing date and serial number of the application when known; this assignment including the application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, the right to claim priority based on the filing date of the application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and the right to sue for and recover past, present, and future damages; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at Boston, MA this 30 day
of June, 2009

Jay C. Hirshberg L.S.
