ASSIGNMENT

WHEREAS, I, Robert J. Gyurik, residing at 12 Ashbrook Road, Exeter, New Hampshire 03833, have made an invention and have filed therefor an international application for patent entitled Pharmaceutical Composition and accorded International Application No. PCT/US03/12235 and a filing date of April 21, 2003 (a Monday);

WHEREAS, Bentley Pharmaceuticals, Inc., a Delaware corporation having a place of business at Bentley Park, 2 Holland Way, Exeter, NH 03833, is desirous of acquiring the entire interest in said international application and in said invention and any Letters Patent which may issue thereon; and

WHEREAS, said international application is entitled to the benefit of the filing date of U.S. provisional Application No. 60/374,103, filed April 19, 2002, which I have assigned previously to Bentley Pharmaceuticals, Inc.;

NOW, THEREFORE, be it known that for and in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, I do hereby sell, assign and transfer and confirm unto said Bentley Pharmaceuticals, Inc., its successors, assigns and legal representatives all right, title, and interest in and to said invention and any improvements thereon for all countries of the world and in and to said international application, including the right to claim priority under the International Convention based on said application, and any patent which may issue on said invention, and all right, title, and interest in and to every nonprovisional patent application filed or to be filed on said invention in the United States and in any other country, including any renewal, revival, continuation, continuation-in-part, and division thereof, and any substitute application therefor, and any and all patents which may issue thereon, and any reissue, reexamination, and extension of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to said Bentley Pharmaceuticals, Inc. as the assignee of the entire interest therein; and I agree further to execute upon

request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name and affixed my seal this 29th day of September, 2003.
