Whereas, ALAVEN PHARMACEUTICAL, LLC (hereinafter "Assignee"), a Delaware Corporation with a principle business address of 200 North Cobb Parkway, Suite 428, Marietta, Georgia 30062, United States of America, is desirous of acquiring Assignors' entire right, title, and interest in and to said Invention, and in and to any application(s) for patent made and/or to be made therefor, and in and to any letters patent(s) that may be granted therefor, in the United States and in any and all foreign countries;

(1.) We, the Assignors, by these presents do sell, assign, transfer, and set over to the Assignee, our full, exclusive, and entire right, title, and interest in and to the Invention, along with any and all application(s) for patent made and/or to be made therefor, and any and all Patents which may be granted therefor, in the United States and elsewhere in the World.
